

XXII International Conference on Raman Spectroscopy

We are pleased to announce ICORS 2010 will be held August 8-13, 2010 at the historic Boston Park Plaza Hotel in Boston, Massachusetts. The Park Plaza is adjacent to the Boston Public Garden and the boutiques, galleries and restaurants of the Back Bay. ICORS returns to the United States in 2010 for the first time in 14 years. After this long hiatus, we expect a record attendance.

Boston is well known as an academic center with over 70 colleges and universities in the area. With one of the highest concentrations of scientists and engineers in the U.S., Boston is the perfect venue to host the most important Raman Spectroscopy event in the world.

We invite you to join us at this exciting meeting. The following pages outline the exhibitor and sponsorship opportunities available. Please note that the early bird period for exhibit booth pricing is available through November 12.

We look forward to your company's involvement in the ICORS 2010. If you have questions regarding your company's involvement, please contact Ms. Miquela Sena in the conference office (505-989-4735, miquela@sciencemanagers.com).

Thank you.

Sincerely,

Paul M. Champion
